

10 July 2018 (Before)

12 July 2018 (After) (10:05 Kabul Time)

**Peshghor
Landslide/Flashflood
12/07/2018**

Estimated Village Population

3000

Estimated Village Houses

275

Houses potentially destroyed

80

Cultivated land Lost

20 ha.

Based on ASDC, we estimate that approximately 800 people live in the affected area and there are about 80 houses potentially destroyed, pending how much the settlement center was affected near the river.

Approximately 20 hectares of cultivated land was lost of a total of 50 (50 includes some areas of neighboring settlements). We estimate that there are almost 3000 people living in the area (275 houses) - see Area map.
