Multi-Sectoral Dashboard for Humanitarian Response Services (October 2022)

Based on data extracted from ReportHub and using max formula per province as per OCHA provincial target, the number of people reached by different sectors with different humanitarian services was 11.2M in month of October 2022. In month of October, FSAC Cluster reported the highest number of people reached with food related assistance (10.4M) followed by protection Cluster with (4.4M) beneficiaries. It is noted that Health sector registered the highest number of organizations (39) followed by WASH with (25) while FSAC and Protection have 27 each. The total number active organization reported in the month were 83 disaggregated as 39 International, 36 National and 7 UN agencies while red cross and crescent movement.

This dashboard aims to assist humanitarian actors in Afghanistan by helping them to identify patterns, trends, and gaps in their responses. This information can be used by partners to inform their decisions related to either re-aligning, re-programing, or planning their projects and activities.

This dashboard provides a snapshot of 5W data in Afghanistan as reported to ReportHub by implementing partners during the period. By analyzing and visualizing information related to projects, activities (including COVID-19-related activities), and services to beneficiaries, the dashboard aims to assist humanitarian actors in Afghanistan by helping them to identify patterns, trends, and gaps in their responses. This information can be used by partners to inform their decisions related to either re-aligning, re-programing, or planning their projects and activities.

**KEY FIGURES**

- **11.2M** People reached with different services
- **10.5M** (94%) Non-COVID-19 response
- **68%** Existing beneficiaries
- **32%** New beneficiaries

**PEOPLE REACHED**

- **10.4M** FSAC Cluster
- **4.4M** Protection Cluster
- **522K** Multiple shocks

**CLASSIFICATION OF BENEFICIARIES REACHED/AGE and GENDER**

- 5.9M Multiple shocks (FOC phase 3) Affected Population
- 4.3M Multiple shocks (FOC phase 4) Affected Population
- 1.5M Communities hosting Refugees
- 913K Natural Disaster
- 453K Underserved Communities
- 383K Other Refugees Returnees

**BENEFICIARIES REACHED/ACTIVITY TYPE and CORRESPONDING NUMBER of PROJECTS**

- 10M Food Assistance
- 5M Child Protection & Emergency
- 4.5M Primary Health Care Services
- 3.7M Mine Action
- 2.2M Health Promotion & Risk Communication
- 2.1M Livelihood Support
- 1.9M Nutrition Emergency
- 1.4M Water
- 1.4M General Protection
- 1.1M WASH Supplies
- 1.1M Shelter
- 1.0M Maternal, Neonatal and Child Health
